

## **Hire International staff for 12-18 months**

**Would you like to bring international staff to your camp for more than just the summer?**

We can find you International staff from almost anywhere in the world, and you can keep them for 6-18 months (only certain participants qualify for 18 months).

**How do I search for staff?**

Please submit a full job description with any specific requirements to your Placement Coordinator. We will then send you CVs of prospective interns, and you can interview who you like and once you have chosen your new staff member, we can guide you through the process.

**How long does the process take once I have chosen my intern?**

A lot of this depends on how quick the participant and camp completes their paperwork, and the fee is paid. The process involves:

- ★ Camp completing required paperwork (please see below)
- ★ Participant completing required paperwork
- ★ Invoice paid

Once these 3 things have been completed, the process takes around 2 weeks for the DS2019 to be issued. Then the participant is ready for an Embassy appointment, and can be on a plane as soon as the passport is returned with the visa inside!

**Will my camp need to do much work?**

Not at all! You only need to provide Camp Leaders with...

- ★ A copy of your Worker's Comp
- ★ Sign a Host business agreement with our visa paperwork sponsor, Cultural Homestay International
- ★ Complete a training sheet which should detail aspects of the participant's work schedule. This is in 2-3 phases and should highlight increased training in the second phase. We will provide full assistance with this.

### **FEES**

6 months: \$1500

12 months: \$1980

18 months: \$2620
